I Dreamed a Dream

I dreamed a dream of time gone by.

When hope was high and life worth living.

I dreamed that love would never die

I dreamed that God would be forgiving.

**Here, as I watch the ships go by, I'm rooted to my shore
I keep asking myself why and if there's more on the other side**

Here, as I see the friends I thought I'd made
A little bit crazy, No, and now we've outgrown one another

Star maker, dream breaker, soul taker, We're happy now

**Here as I watch the tide go by, How I'd like to sail away
Leaving all my past behind but I know I'd only last for a couple days**

Here stands everything I thought I'd made, It's the only life I know and I can't even
call it my own. I've got no home I belong to you my

Star maker, dream breaker, soul taker, We're happy now x2
We're so happy now

A Million Dreams

I close my eyes, and I can see, a world that's waiting up for me. That I call my own
Through the dark, through the door, through where no-one's been before, But it feels like home

*They can say, they can say it all sounds crazy. They can say they can say I've lost my mind
I don't care I don't care so call me crazy. We can live in a world of our design*

Cause' every night I lie in bed, The brightest colours fill my head

A million dreams are keeping me awake

I think of what the world would be, the vision of the one I see,

A millions dreams is all it's gonna take

Oh a million dreams for the world we're gonna make

However big, however small ,let me be part of it all, Share your dreams with me

You may be right, you may be wrong, but say that you'll bring me along.

To the world you see. To the world I close my eyes to see, I close my eyes to see

'Cause every night.....

For the world we're gonna make

Dream a Little Dream of Me

Stars shining bright above you
Night breezes seem to whisper "I love you"
Birds singing in the sycamore tree
Dream a little dream of me

Say "Night-ie night" and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me

Stars fading but I linger on, dear
Still craving your kiss
I'm longing to linger till dawn, dear
Just saying this

Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me

Da da da da.....
But in your dreams whatever they be
Dream a little dreamof me.... mmmm

Boulevard of Broken Dreams

I walk a lonely road
The only one that I have ever known
Don't know where it goes
But it's home to me, and I walk alone

I walk this empty street
On the Boulevard of Broken Dreams
Where the city sleeps
And I'm the only one, and I walk alone

I walk alone, I walk alone
I walk alone, I walk a-

**My shadow's the only one that walks
beside me
My shallow heart's the only thing
that's beating
Sometimes, I wish someone out
there will find me
'Til then, I walk alone**

*Ah-ah, ah-ah, ah-ah, ah-ah
Ah-ah, ah-ah, ah-ah*

I walk this empty street
On the Boulevard of Broken Dreams
Where the city sleeps
And I'm the only one, and I walk a

**My shadow's the only one that walks
beside me
My shallow heart's the only thing
that's beating
Sometimes, I wish someone out
there will find me
'Til then, I walk alone**

All I Have to Do is Dream

Dream. Dream, dream, dream
Dream. Dream, dream, dream
When I want you, in my arms
When I want you, and all your charms
Whenever I want you, all I have to do is
Dream, Dream, dream, dream

When I feel blue, in the night
And I need you, to hold me tight
Whenever I want you, all I have to do is
Dream

Please don't waste the time,

For you and I to shine

Anytime, night or day

*Only trouble is , gee whiz! I'm dreamin' my life
away...*

I need you so, that I could die
I love you so, and that is why
Whenever I want you, all I have to do is
Dream. Dream, dream, dream
Dream

Dreams (can come true)

They can come true, they, They can come true

Move a step closer, let's sing me and you,
I can tell by your smile that you want to

Just a question of time, I knew we'd sing together, and that we would shine
I want you here forever, do you hear what I'm saying?

Gotta say how I feel, I can't believe you're here, but I know that you're real
You know what I want! To sing with you
I can't deny my feeling 'cause they are true yeah

Dreams can come true
Look at me now, I'm with you
You know you gotta have hope
You know you gotta be strong x4

**Sweet dreams are made of this
Who am I to disagree
I travel the world and the seven seas
Everybody's looking for something**

**Some of them want to be you
Some of them want to be with you
Some of them want to be sung to
Some of them want to sing with you**

Sweet dreams....

Hold your head up	Keep your head up (movin' on)
Hold your head up (movin' on)	Keep your head up, (movin' on)
Hold your head up (movin' on)	Keep your head up, (movin' on)
Hold your head up (movin' on)	Keep your head up

Sweet dreams.....

Hold your head up	Keep your head up (movin' on)
Hold your head up (movin' on)	Keep your head up, (movin' on)
Hold your head up (movin' on)	Keep your head up, (movin' on)
Hold your head up (movin' on)	Keep your head up

Never had a dream come true

Everybody's got something, they had to leave behind
One regret from yesterday, that just seems to grow with time

*There's no use looking back, or wondering
How it could be now or might've been
All this I know, But still I can't find ways to let you go*

I never had a dream come true, 'Til the day that I found you
Even though I pretend that I've moved on
You'll always be here with me
I never found the words to say, You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be..

You'll always be the dream that fills my head
Yes you will, say you will, you know you will
You'll always be the one I know I'll never forget

*There's no use looking back or wondering
Because love is a strange and funny thing
No matter how hard I try and try, I just can't say good bye*

I never had a dream come true...
A part of me will always be with you

I Have a Dream

I have a dream, a song to sing
To help me cope, with anything
If you see the wonder, of a fairy tale
You can take the future, even if you fail

I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream, I have a dream

I have a dream, a fantasy
To help me through, reality
And my destination, makes it worth the while
Pushin' through the darkness, still another mile

I believe in angels....

I'll cross the stream, I Have a Dream

Any Dream Will Do

I closed my eyes, drew back the curtain, to see for certain what I thought I knew
Far far away, someone was weeping, But the world was sleeping,
Any dream will do

I wore my coat, with golden lining, Bright colours shining, wonderful and new
And in the east, the dawn was breaking, And the world was waking
Any dream will do

LJ - solo

A crash of drums, a flash of light,
My golden coat flew out of sight,
The colours faded into darkness. I was left alone

May I return to the beginning, the light is dimming, and the dream is too
The world and I, we are still waiting, still hesitating
Any dream will do, Any dream will do, Any dream will do

DANCERS' MEDLEY

Blame it on the Boogie
Dancing in the Moonlight
Dancing on the Ceiling
Dance the Night Away
Dance with Me Tonight
Dancing with Myself
Dancing Queen
Footloose
Just Sing and Dance
I Wanna Dance with Somebody
I'm in the Mood for Dancing
Flashdance

My baby's always dancing, and it wouldn't be a bad thing but I don't get no loving and that's no lie.

We spent the night in 'Frisco' at every kind of disco. From that night I kissed our love goodbye!

Don't blame it on the Sunshine

Don't blame it on the moonlight

Don't blame it on the good times

Blame it on the boogie! X2

**This magic music grooves me, That boogie rhythm fools me,
The devil's gotten to me, with this dance**

**I'm full of funky fever, A fire burns inside me, Boogie's got
me in a super trance**

Don't blame it on the Sunshine.....

Blame it on the Boogie

I just can't, I just can't, I just can't control my feet
I just can't, I just can't, I just can't control my feet

Sunshine!...(yeah yeah yeah)
Moonlight!... (yeah yeah yeah)
Good times!... (good times)
Boogie! (yeah!)

Don't blame it on the Sunshine
Don't blame it on the moonlight
Don't blame it on the good times
Blame it on the boogie!

Dancing in the moonlight

We're dancing almost every night
When that moon is big and bright
It's a supernatural delight
Everybody's dancing in the moonlight

Everybody here is out of sight
They don't bark and they don't bite
They keep things loose they keep it right
Everybody's dancing in the moonlight

Dancing in the moonlight
Everybody's feeling warm and bright
It's such a fine and natural sight
Everybody's dancing in the moonlight

Dancing on the Ceiling

What is happening here? Something's going on that's not quite clear
Somebody turn on the lights,

We're gonna have a party, It's starting tonight

Oh, what a feeling, When we're dancing on the ceiling
Oh, what a feeling, When we're dancing.

The room is hot, that's good, Some of my friends came by from the neighborhood
The people startin' a climb the walls, Ooh it looks like everybody is having a ball

Oh, what a feeling, When we're dancing on the ceiling
Oh, what a feeling, When we're dancing on the ceiling
Oh, what a feeling, When we're dancing on the ceiling
Oh, what a feeling, When we're dancing on the ceiling

Everybody start to lose control When the music is right
If you see somebody hangin' around, Don't get uptight
The only thing we want to do tonight
Is go 'round and 'round And turn upside down

Oh, what a feeling, When we're dancing on the ceiling
Oh, what a feeling, When we're dancing on the ceiling

Dance the night away

Here comes my happiness again

Right back to where it should have
been

'cause now she's gone and I am free
And she can't do a thing to me

Just want to dance the night away

With señoritas who can sway

Right now tomorrow's lookin' bright

Just like the sunny morning light x2

Dance with Me Tonight

We're here at Singfest, nice to meet you, can I tell you people
Look around, there's a whole lot of pretty faces
But none like you, you shine so bright, yeah

I was wondering if you and me could spend a minute
Here together on the stage getting lost in music
We won't give up without a fight

I just wanna, ooooooooooh, everybody. I just want you to dance with me
tonight

Yeah yeah yeah yeah..... To dance with me tonight

One more time, one more time, come on now

Yeah yeah yeah yeah.... To dance with me tonight

Oooooooooh, everybody, I just want you to dance with me tonight

Dancing with myself

On the floors of Tokyo,
Or down in London town to go, go
Oh with a record selection and a mirror's reflection
I'm a-dancing with myself

When there's no one else in sight,
In the crowded lonely night
Well, I wait so long for my celebration,
and I'm dancing with myself

Oh oh oh Dancing with myself,

Oh oh oh Dancing with myself

When there's nothing to lose and there's nothing to prove

When I'm dancing with myself, oh, oh, oh-oh....

On the floors of Tokyo,
Or down in London town to go, go
Oh with a record selection and a mirror's reflection
I'm a-dancing with myself
When there's no one else in sight,
In the crowded lonely night
If I had the chance I'd ask the world to dance and I'd be
dancing with myself

**Oh oh oh dancing with myself ,
Oh oh oh Dancing with myself
If I'd had the chance I'd ask the world to dance,
And if I'd had the chance I'd ask the world to dance,
If I'd had the chance id ask the world to dance**

Oh oh oh oh (dancing with myself) **x2**

You can dance, You can jive, Having the time of your life
Ooh, see that girl, Watch that scene
Digging the dancing queen

Friday night and the lights are low
Looking out for a place to go
ooh Where they play the right music, Getting in the swing, You come
to look for a king

Anybody could be that guy, Night is young and the music's high
With a bit of rock music, Everything is fine, You're in the mood for a dance
And when you get the chance....

**You are the dancing queen, young and sweet, Only seventeen
Dancing queen, Feel the beat from the tambourine, oh yeah
You can dance, You can jive, Having the time of your life
Ooh, see that girl, Watch that scene, Digging the dancing queen
Digging the dancing queen**

Turn up the music let's get out on the floor
I like to move it, let's go dancing some more
We're all so excited and we're taking the show
It's got me hypnotised
Everybody step aside
Steal the night, kill the lights
Feel it under your skin
Time is right, I'm in sight
'Cause it's pulling you in
Wrap it up can't stop
'Cause it feels like an overload

(Oh oh)Evacuate the dance floor
(Oh, oh) I'm infected by the sound
(Oh, oh) Stop this beat is killing me
Hey Dr. DJ let the music take me underground
(Oh oh)Evacuate the dance floor
(Oh, oh) I'm infected by the sound
(Oh, oh) Stop this beat is killing me
Hey Mr DJ let's rock this place right down to the ground

Evacuate the Dance Floor

Footloose

I been working so hard
I'm punching my card
Eight hours, for what?
Oh, tell me what I got.

I've got this feeling
That time's just holding me down

I'll hit the ceiling
Or else I'll tear up this town

Tonight I gotta cut loose, footloose
Kick off your Sunday shoes
Please, Louise
Pull me up off my knees
Jack, get back
C'mon, before we crack
Lose, your blues
Everybody cut footloose

Ah....

Tonight I gotta cut loose, footloose
Kick off your Sunday shoes
Please, Louise
Pull me up off my knees
Jack, get back
C'mon, before we crack
Lose, your blues
Everybody cut footloose

Tonight I gotta cut
Everybody cut, everybody cut
Everybody cut, everybody cut
Everybody cut, everybody cut
everybody
Everybody cut footloose!

Just Sing and Dance

Oh don't you dare look back, just keep your eyes on me
I said you're holding back ,I said "just sing and dance with me!"
This spot light is my destiny, I said "ooh just sing and dance with me!"

We were dancing in the night
With microphones we stand in the bright spotlight
Helpless to the bass and the fadin' light
Oh we were bound to get together, bound to be together
She took my arm I don't know how it happened
We took the floor and she said

Oh don't you dare look back, just keep your eyes on me
I said you're holding back ,I said "just sing and dance with me!"
This spot light is my destiny, I said "ooh just sing and dance with me!"
This spot light is my destiny, I said "ooh just sing and dance with me!"

The Clock strikes upon the hour, and the sun begins to fade
there's still enough time to figure out, how to chase my blues
away

*I've done alright up to now
It's the light of day that shows me how
And when the night falls, loneliness calls*

**Oh, I wanna dance with somebody
I wanna feel the beat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me x2**

Somebody (ooh), someboady (ooh), Somebody who loves me
Somebody (ooh), someboady (ooh), to hold me in their arms

*I've done alright up to now
It's the light of day that shows me how
And when the night falls, loneliness calls*

**Oh, I wanna dance with somebody
I wanna feel the beat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me x2**

Oohs Yeah, yeah
I'm in the mood for dancing, romancing,
Ooh I'm giving it all tonight

I'm in the mood for chancing
I feel like dancing
Ooh so come on and hold me tight
Dancing, (dancing) I'm in the mood, babe
So let the music play
Ooh I'm dancing, (dancing)
I'm in the groove, babe
So get on up and let your body sway
(body sway)

I'm in the mood for dancing, romancing
You know I shan't ever stop tonight
I'm in the mood for chancing
I feel like dancing
Ooh from head to my toes
Dancin' again
And heaven who knows, Just where it will
end.
So dance, yeah let's dance, come on and
dance
Dance, yeah let's dance, come on and
dance x2

I'm in the Mood for Dancing

First, when there's nothing, But a slow glowing dream
That your fear seems to hide, deep inside, your mind.

All alone, I have cried, Silent tears full of pride
In a world made of steel, Made of stone

Well, I hear the music, close my eyes, feel the rhythm
Wrap around, take a hold of my heart

What a feeling, Being's believin'

I can have it all, now I'm dancing for my life

Take your passion, And make it happen

Pictures come alive, You can dance right through your life, What a feelin'!

What a feeling, Being's believin'

Pictures come alive, You can dance right through your life

Take your passion, And make it happen

Pictures come alive, You can dance right through your life, What a feelin'!
