

Maths Homework 20.10.23

In year 2, children are taught the 'greater than' and 'less than' symbols (< and >), alongside the 'equals' symbol (=), and begin to use these symbols in number sentences. The < and > symbols resemble a crocodile's mouth, and the crocodile always eats the bigger number.

For example $45 > 23$, or $17 < 35$, or $34 = 34$.

Please complete the following by writing them in your homework books,

12	<input type="text"/>	35
43	<input type="text"/>	27
36	<input type="text"/>	41
28	<input type="text"/>	92
46	<input type="text"/>	32
88	<input type="text"/>	56
22	<input type="text"/>	22
