

Maths Homework 1.12.23

Please complete the subtraction questions this week noting that the answers are getting smaller as we are taking away. When we subtract using the 100 square, we are moving up rather than down.

$100 - 50 = \square$

$60 - 50 = \square$

$70 - 20 = \square$

$80 - 50 = \square$

$100 - 30 = \square$

100 Square

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100
