

Homework Friday 22nd May

On Friday 19th June, we are going to Trentham Gardens, if you are available and would like to help, please let myself or the office know. Thanks

Design a background for our new Mission Statement:

"As a school, we live, learn and love with God in our hearts."

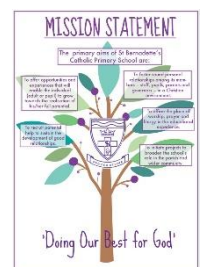

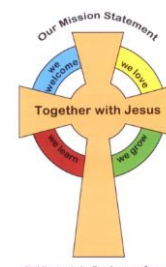

Here is our previous Mission Statement and some examples from other schools to give you some ideas!

ST MARY'S
MIDDLEWICH

MISSION STATEMENT

St MARY'S is a happy and vibrant family where each child and adult is cherished, valued and enabled to grow in confidence to their full potential. It provides a safe environment in which each individual is encouraged to live as Jesus taught and to reach levels of personal development, creative and academic achievement.

Maths

We have been learning about time this week, please can you discuss the time as much as possible at home, using both analogue and digital clocks.

We have been telling the time to 5 minutes and 1 minute using both, '20 to 8', '25 past 7' etc. Questions you could ask: What time did you wake up? We are going to ___ now, what time is it? It will take 30 minutes to get to __, what time will we arrive? It is a very challenging concept and as much immersion in time as possible will help!

Telling the Time to Half-Past

Underneath each clock, write the time shown.

E.g. 10 minutes past 2.

Telling the Time Half-Past Onwards

Underneath each clock, write the time shown.

E.g. 10 minutes to 2.
