	Reading		Writing		Maths		Combined	
	St. Mary's	National	St. Mary's	National	St. Mary's	National	St. Mary's	National
At or Above	76%	74%	70%	65%	73%	73%	64%	60%
Greater Depth	12%	24%	6%	13%	12%	18%	N/A	N/A

At KS1, results are based on teacher assessment informed by a test. Cheshire East has been highlighted as a local authority who have been harsh in their judgments and therefore advice. As we were a moderated school in Cheshire East (25% of schools were moderated) we feel on reflection we were strict in our judgments, particularly with regards to those children working at greater depth. It is also worth remembering that all schools were using a new assessment framework and inconsistencies in the first year whilst not helpful, are perhaps understandable.

The above information does not alter the fact that the school consistently analyses both internal and external data very carefully and looks to address any weaknesses, in its school development plan.

The above results for KS1 phonics are based on a national test set in June.

KEY STAGE 2 ATTAINMENT

Proportion of pupils achieving the expected standard in all areas

53% (national 53%)

	Reading %		Grammar %		Writing %		Maths %	
	St. Mary's	National	St. Mary's	National	St. Mary's	National	St. Mary's	National
Av scaled score	102.6	102.6	105.8	104.0			101.9	103.0
% of pupils achieving expected standard	60	66	77	72	63	74	83	74
Number of pupils achieving GOS	20	19	30	23			37	15

Again, St. Mary's was one of 25% of school moderated in Cheshire East. Data over recent years shows standards of writing to be high at St. Mary's. We do not believe these results reflect an accurate picture of how St. Mary's compares nationally. As in KS1, this does not alter the fact that analysis of results helps us address any weaknesses in our School Development Plan.
