

POEMS ALOUD

Performance Poetry Competition

Your homework is to choose a **poem** you enjoy, learn it **off by heart** and practise performing it. You can perform a poem **on your own** or as part of a group of **up to 3 children** from your class. It can be a **serious poem** or a **funny poem**, a **long poem** or a **short poem**! It's your choice!

Your performance needs to be ready by **Friday 21st June** when everyone will be performing their poems to the rest of their class. Each class will hold a vote and the two favourite performances will perform to the rest of the school on **Tuesday 25th June**. The whole school will then vote on their overall favourite performance and the winners will receive a **voucher** for the upcoming **Scholastic Book Fair**!

All children in **Years 2 to 6** need to prepare a individual or group performance. Children in **Reception** and **Year 1** will work together with their teachers to learn and perform a poem as a class.
