

WHO WE ARE

St MARY'S is a happy and vibrant family where each child and adult is cherished, valued and enabled to grow in confidence to their full potential. It provides a safe environment in which each individual is encouraged to live as Jesus taught and to reach levels of personal development, creative and academic achievement.

At St Mary's, we value difference and recognise that everyone is unique. Inclusion is about the actions we take every day to give everyone the same life chances and opportunities to thrive. We welcome new ideas and perspectives, we try to walk in someone else's shoes to see the world from their point of view and we encourage those who may feel like outsiders to join, contribute and make a difference to our community.
